I might even let you borrow it sometimes. That is, if I were to happen to have one.

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Parkour while hanging onto someone else, wearing a big floppy suit, and working a giant puppet head.

And the blue lion's routine, in which they dropped the front guy off the platform and held him there, to simulate the front legs dangling down off the perch. Wow. Yikes.

Yes! And they were all "Don't worry. This is what lions *do*."

I wanted to see one team do a controlled roll off a platform to the floor and stop to wash their ears. Probably not traditional for lion dancing, though.
